- f. the exclusive right to couple, and to authorize others to couple, the Masters with masters by other artists for inclusion so-called 'compilation' records, including without limitation, consumer compilation Records, promotional Records, non-retail jukebox compilations, sampler-type Records and programs for use on public transportation carriers and facilities (each a "Compilation Record").

- 3.10 The Label acknowledges that any synchronization use of the underlying Composition(s) embodied in the Master(s) requires a separate synchronization license from the applicable copyright owner(s). The Label shall not exploit any such Composition(s) via synchronization without first obtaining such license, including for promotional uses, even if Label holds Master Use rights.

4. ROYALTIES

- 4.1 With respect to the exploitation of Masters hereunder, Label will pay Artist a royalty (the "Royalty") equal to: as specified in Schedule A of "Net Proceeds" (as defined below).

5.1 No less frequently than within ninety (90) days following the end of each fiscal quarter period during the License Period and the Sell-Off Period, Label shall furnish Artist with a written statement in Label's standard accounting format setting forth the computation of royalties for the applicable monthly periods. Each such statement shall be accompanied by payment of all Royalties payable, if any. All statements shall be provided in digital form via Label's accounting system and Artist shall be provided with access thereto.

5.2 Sales by Label's sub-licensees, distributors and/or partners, if any, shall be deemed to take place in the calendar quarter in which Label receives (or is credited) payment therefore from such sub-licensee. Label shall use reasonable commercial efforts to obtain prompt and accurate accounting and payment from its licensees, which shall be no less frequent than twice per annum.

All Royalty statements and all other accounts rendered by Label to Artist shall be binding upon Artist and not subject to objection by Artist for any reason unless specific objection, in writing stating the basis thereof is given to Artist within eighteen (18) months following Artist's receipt of such statement. Artist shall be foreclosed from maintaining any action, claim or proceeding against Label in any forum or tribunal unless commenced within twenty four (24)

months following Artist's receipt of such statement. Artist shall have the right to appoint a chartered or certified public accountant (or a firm of chartered or certified public accountants) to examine and make copies of Label's books and records insofar as they pertain to this Agreement. Such chartered or certified public accountant will act only under a confidentiality agreement which provides that any information derived from such audit or examination will not be released, divulged or published to any person, firm or corporation other than Artist, Artist's attorneys, Artist's advisors, to a judicial or administrative body in connection with any proceeding relating to this Agreement, or by mandate of law. Such an examination shall take place at Label's offices where such books and records are normally maintained during normal business hours, on reasonable advance notice, not more than once in any calendar year and at Artist's sole cost and expense.

6. MECHANICAL LICENSES AND PUBLISHING ADMINISTRATION

6.1 Label, through Virgin Music / Ingrooves, shall secure all necessary mechanical licenses required for the distribution and exploitation of the Master(s) embodying cover songs in accordance with applicable statutory or negotiated rates, in the Territory.

6.3 Label shall be responsible for the payment of all mechanical royalties due to the underlying copyright owners of the Composition(s) in the Territory, whether by direct payment or via statutory licensing mechanisms, as appropriate.

6.4 The parties acknowledge that no ownership in the underlying Composition(s) is assigned to Label or Artist under this Agreement.

DIRTYSNATCHA RECORDS LICENSE AGREEMENT

- 6.5 Artist hereby grants, or shall cause Artist's publisher to grant, to Label and Label's licensees the non-exclusive right (to the extent such right is controlled by Artist) during the License Period to reproduce each Cover Composition (as defined below) solely to the extent permitted by the underlying copyright owner(s) of the Composition(s) embodied in the Master(s) and subject to the negotiation and acquisition of any required synchronization licenses (including any required fees and approvals).
- 6.6 Subject to local collection society rules and regulations Artist grants, or shall cause Artist's publisher to grant, to Label and Label's licensees at no cost the non-exclusive right during the License Period to reproduce, distribute and perform each Composition or any portion thereof by means of streaming only for promotional purposes only on websites or other digital media created or maintained by Label or its licensees or affiliates throughout the Territory.
- 6.7 Artist further grants, or shall cause Artist's publisher to grant, to Label and/or Label's licensees for the duration of the License Period, a universally, synchronization license for each Composition that is embodied in a video that is used for promotional purposes (each, a "Video"), which synchronization licenses will be issued free of charge and free of fee and royalty. In the event Label elects to commercially exploit such Videos, Label will negotiate in good faith a synch fee with Artist, or Artist's publisher, as the case may be. For the avoidance of doubt, a Video shall only be considered to be commercially exploited if it is made available for direct sale by Label. The making available of a Video for on-demand streaming on a Streaming Source or otherwise, and the earning of advertising revenue by Label from such streams shall not be considered commercial exploitation of such Video.
- 6.8 Artist represents and warrants that with respect to any and all Compositions embodied on Masters which are not Controlled Compositions, Artist has secured, or shall promptly following the execution of this Agreement, secure for benefit of the Label and Label's licensees Mechanical Licenses and all other publishing licenses and permissions which Artist grants to Label pursuant to this Clause 6 and Clause 3.2(d), on the same terms and conditions which apply to Controlled Compositions under this Clause 6 and/or Clause 3.2(d).

9.2 Artist and Label hereby indemnify and hold harmless on another and its respective licensees and assigns, and its and their respective shareholders, officers, directors, principals, employees and agents (the **"Indemnified Parties"**) from and against any and all losses, costs (including reasonable legal fees), expenses, liabilities and damages arising out of any third party claim in respect of any breach or alleged breach by the indemnifying party of this Agreement or any representation, warranty, covenant, or promise made hereunder as determined by a court of competent jurisdiction. The indemnifying party will reimburse the Indemnified Parties on demand for any payment made at any time after the date hereof in respect of any liability or claim in respect of which the Indemnified Parties are entitled to be indemnified. Upon the making or filing of any such claim, action or demand, the Indemnified Party shall be entitled to withhold from any amounts payable under this Agreement such amounts as are reasonably related to the potential liability in issue. In the event that any such claim does not result in litigation being commenced against the Indemnified Party within one (1) year from the date such claim is initially received by the Indemnified Party, then any monies withheld pursuant to the preceding sentence shall be released to the indemnifying party, provided that if any such claim is litigated after one (1) year from the date it was initially made, the Indemnified Party may thereafter withhold monies payable under this Agreement in accordance with the preceding sentence. The indemnifying party shall be notified of any such claim, action or demand and shall have the right, at its own expense, to participate in the defense hereof with counsel of its own choosing; provided, however, that the Indemnified Party's decision in connection with the defense or settlement of any such claim, action or demand shall be final. Label will not withhold any monies pursuant to this section provided that Artist posts a surety bond from a surety which is satisfactory to Label in its sole discretion and provided that the surety bond is in a type and amount satisfactory to Label in its sole discretion.

Label shall not, in anticipation of the Sell-Off Period, manufacture quantities of physical Records in excess of the quantity it reasonably anticipates selling prior to the termination of the Agreement. All sales of Records during the Sell-Off Period shall be in accordance with the terms and conditions of this Agreement.
